Which of the following best describes your reason to join the Twenty20 Club?

- | | |
|---|---|
| <input type="checkbox"/> I am a dairy farmer raising my homebred calves to beef. | <input type="checkbox"/> I purchase weanlings/yearlings and raise them to beef. |
| <input type="checkbox"/> I am a dairy farmer and wish to supply calves into the Club. | <input type="checkbox"/> I am finishing young bulls. |
| <input type="checkbox"/> I buy in calves and raise them to beef. | <input type="checkbox"/> Other (specify) |
| <input type="checkbox"/> I am a suckler farmer and buy in calves also and raise both homebred and bought in calves to beef. | <input type="text"/> |

What number of animals would you consider enrolling in the programme?

Describe as best you can the breed composition of the stock you are interested in enrolling:

DATA PROTECTION & AUTHORISATION

Where you are submitting an expression of interest form to Tirlán and Kepak Group Unlimited Company (Kepak) shall each, acting as controller, process your Information (as described below) for the purposes of considering your eligibility to participate in the Twenty20 Beef Club.

Your "Information" means, in relation to you ("the Applicant"):

- (a) ICBF Information – the following categories of data held by the Irish Cattle Breeding Federation (ICBF) in relation to you:
 - Name and contact details
 - Genetic evaluations and ancestry information relating to the animals' history
- (b) Kepak Information – the following categories of data held by Kepak in relation to you and your animals:
 - Name and contact details
 - Slaughter data and information
- (c) Tirlán Information – the following categories of data held by Tirlán in relation to you and your animals:
 - Name and contact details
 - Trading history information

The Applicant hereby authorises:

- 1. Tirlán to contact ICBF to obtain your ICBF Information and hereby authorises ICBF to release your ICBF Information to Tirlán.
- 2. Tirlán to contact the Society to obtain your Society Information and hereby authorises the Society to release your Society Information to Tirlán.
- 3. Kepak and/or Tirlán to contact Bord Bia to obtain your farm sustainability information and hereby authorises Bord Bia to release this Information to Kepak & Tirlán.
- 4. Tirlán to contact Kepak to obtain your Kepak Information and hereby authorises Kepak to release your Kepak Information to Tirlán.
- 5. Tirlán to share / exchange your ICBF Information, your Tirlán Information and your Society Information with Kepak for the purposes of considering your expression of interest in relation to the Twenty20 Beef Club.

- (d) Society Information – the following categories of data held by Tirlán Co-operative Society Limited (the "Society") in relation to you:
 - Name and contact details
 - Shareholder status and shares held by you
- (e) Bord Bia Information – the following categories of data held by Bord Bia in relation to you and your animals:
 - Name and contact details
 - Farm sustainability information (including but not limited to your Carbon Navigator)

Sustainability

For the purposes of establishing the environmental sustainability credentials of the Twenty20 Beef Club, Tirlán and Kepak shall work with industry stakeholders, namely Bord Bia and Teagasc. In order to validate research in this area your consent is required to authorise the sharing of your data (including personal data) in relation to your farm enterprise and Qualifying Club Cattle. See below:

- 6. Kepak to share / exchange your Bord Bia Information with Tirlán for the purposes of establishing the environmental sustainability credentials of the Twenty20 Beef Club and in order to validate research in this area.
- 7. Kepak and/or Tirlán to share your Bord Bia Information, your Tirlán Information, your Kepak Information and your Society Information with Teagasc, on an anonymous basis, for the purposes of preparing analysis and sustainability reports to demonstrate and verify the Twenty20 programme credentials and encourage its growth.
- 8. Kepak may furnish your name, farm address and herd details to Kepak's customers so that such information provided by you to the Club programme can be verified against Kepak slaughter data.

By signing this authorisation I/we authorise the use and disclosure of our Information in the manner and for the purposes set out in this authorisation.
